COMMUNICATION RE: INCORRECT FILING RECEIPT

Assistant Commissioner for Patents
Washington, D.C. 20231

Applicants hereby request correction of the Filing Receipt with respect to the above-identified patent application. On the Filing Receipt received December 10, 2000, (copy enclosed), there are two typographical errors. The first error is the name of the town from which inventor James Phillip Helgesen is a resident. The Filing Receipt reads, Edwn Prairie, it should read Eden Prairie. The second error is the name of the last inventor Ronald R. Swanson. The Filing Receipt reads, Ronald r. Swanson, it should read Ronald R. Swanson. This is evidenced the Declaration and Power of Attorney as well as the Assignment document, upon the original copy of the patent application (enclosed).

Applicants would appreciate the above-identified printing error be corrected and that a new "corrected" filing receipt be sent to Applicants' representatives at the address given below.

Respectfully submitted,

ATTILA GRAUZER et al.
